

Light Up Lock Up

Homes in darkness
from 4-9 pm can be
a target for thieves

- ✓ **A well lit home** gives the impression that someone is in
- ✓ **Use timer switchers** to turn lights on while you are out (a 20 watt energy efficient light bulb costs less than 2p per day to run if left on for four hours)
- ✓ **Don't leave curtains closed** during the daytime, only in the evening/at night
- ✓ **Lock all windows and doors**
- ✓ **Keep gates well secured**
- ✓ **Keep valuable items out of View.**

**Help us keep
crime low in York!**
